

Dear Brothers & Sisters at IBC,

Dye Update

October 23, 2020

In the last few years the Lord has blessed our hospitality team with additional "helping hands" — ladies passing through — which inspire us to take the opportunities to do good to everyone, and especially to those who are of the household of faith (Galatians 6:10) Assisting our pilot families and trainees is our priority!!

Praise:

-Austin graduated from AF Basic training & is in Avionic Tech School

-Alicia moved home to work remotely for a season

Prayer:

-Wisdom in reaching out to the new trainees to best prepare them for serving in other countries

October 7th marked a celebration of the Lord's provision for a new mission R66 helicopter, after prayers of thanksgiving were expressed, Larry wheeled the aircraft into the paint hangar to begin the work of painting the desired Ethnos360 Aviation design. We are hoping that this is the first of three helicopters for Papua New Guinea.

The final results!

We are grateful to the Lord and feel privileged to be a part of this unique ministry; even in painting a helicopter for the King of Kings! Thank you for your genuine prayers and financial support that you lavish on us so that, we in turn, can extend lovingkindness to those serving in isolated areas around the world. We as an aviation team delight in assisting church planters in their outreach to people groups in proclaiming the Gospel message of truth, hope and love. The tools God uses are clay vessels but at times can be made of fiberglass and metal, as well.

Our team of missionaries here at McNeal Arizona, Aviation Headquarters.
