

"A DELIGHTFULLY HUGE CHRISTMAS" --- I was struck this morning by these words and realized the truth in them! Aren't most of us talking about "downsizing" this Christmas?! Even the government is asking us to "curb our activities, to stay home?!" However --- the truth is that the advent of the Lord Jesus is HUGE, and no matter HOW we celebrate, or IF we celebrate the message is the same! Jesus Christ came to earth to "seek and to save the lost" --- the Gospel remains the same and the glorious, DELIGHTFUL fact is that through these many years as co-laborers in spreading the Gospel around the world, many more indigenous people groups have heard this beautiful, delightful story of Jesus who came to earth as our Savior!!! Christmas has not diminished! The Advent of the

Savior is no less remarkable, no less life changing or delightful because of a virus!

Paul and I wish you a DELIGHTFUL, Merry Christmas!!! And a HUGE thank you for your support, prayers and love!
