Dear Friends at Immanuel Bible,

Generations of campers love the West Side Chapel. Dedicated to the glory of God in 1955 it has great acoustics for singing, and through the decades an immense amount of Biblical proclamation has sounded forth from its pulpit. I wonder how many people have responded to the call of the Gospel in that building.

I was in my twenties the last time we put new shingles on the roof, and I spent a lot of hours on its 45 degree slope lending a hand (literally lending one hand because the other one was hangin' on). This month we were able to get new shingles on that beautiful old building. Not only that, but the roofing crew also put new shingles on the East Side Chapel too. Altogether they tore the old shingles off both roofs and nailed on about \$21,000 worth of new ones!

Maintenance season (November and December) is a very important season for camp. Those roofs are two significant tasks now completed. May I let you in on a little story? There is a family with a deep appreciation for those Chapels who, when they found out what we were doing, sent a check to cover the entire cost of the shingles. Praise God from whom all blessings flow, and this time they flowed through that family. May their tribe increase!

God's blessings have flowed through you this month too. Thank you for contributing to the ever-on-going story of Barakel.

Yours for Christ-exalting camping,

Paul Gardner
