

Updates from Levi & Robyn Lenz:

We want to thank you for praying with us and giving sacrificially to enable us to buy this Toyota Landcruiser for our ministry here in Papua New Guinea! It has been incredible for us to watch how God has met this need. Please keep Levi in your prayers as he makes frequent trips into the village and begins exploring some other areas in our language group for potential future outreach. It is such a blessing to now have a reliable vehicle for these trips. Thank you for your continued prayers and support as we seek to see God's Word spread throughout the North Wahgi Language group.

We left on Wednesday October 12th in our new land cruiser (thank you!) to head into Wahgi as a family for the first time since Christmas. Michael was able to climb Mt. Wilhelm last weekend with their class. It is one of the 7 summits of the world.

Prayer Requests:

- Pray for direction as we work on unity in the church with the last election.
- Pray for those who have left during the election to return to the church with commitment.
- Pray for us as we work with leaders and members through personal and community conflicts/sin issues.
- Pray for our family as living at the base and being away from the village has been hard on everyone.
- Pray that this short trip would be fruitful and a blessing.
