

Hello, dear friends!

Monday was the grand “Kick-off” for the new semester here at the training center!!! WOW --- what energy, youth and vitality!!! And LOTS of babies! I think there were at least seven or eight tiny little ones in arms! :-} It was, evidently, a very “fruitful” summer! :-} Young families, giving their lives for reaching the lost for Christ --- what an encouragement and it’s so fun to see them --- some returning for their final year and the **38 new students** that have just arrived to begin their first semester.

We want to send a ginormous **THANK YOU** for your very faithful financial support!!! God’s faithful provision will never cease to amaze us! Every month we are reminded of our loving Heavenly Father’s provision and want YOU to know **what a blessing you** are to us!!! We are SO blessed to be able to continue to serve Him here at the training center! They have just changed the name to ETR (Ethnos360 Training) instead of the MTC! So, we’ll try to “keep up with the times” :-} I am getting my strength back and my spinal pain is GONE!!! There’s the old aches and arthritis issues, but what a relief to have that awful, gnawing chronic pain gone! And so --- **we’re stepping back into the mentoring program** here and we’re excited and blessed to be able to “volunteer” in this way. This is a major part of the training program and is SO important to really get to know these amazing young people and have input in their lives. We’d appreciate your prayers for us as we take on this responsibility. We are very dependent on our Lord for the strength and wisdom needed!

Another prayer request is that **Paul will be presenting the (NTM) History for three days, starting on Monday!** He has such a wonderful heart and passion for this subject as he presents to the new students “who we are” as a mission, and how we got started! Immanuel’s history is woven together with that of NTM’s (Ethnos360) history and he spends time telling stories of Bob and Cecil Dye and the others that went out from Saginaw in those beginning days! What a rich heritage we share together! It helps that our dads were a part of it! :-}

How we would love to drop in for a visit and catch up on all that God is doing in and through your lives! We rejoice with you for the outreach you have around the world and for the your influence right there where God has you! We trust that this finds you enjoying sweet fellowship together and with our Lord! We appreciate you so very much!!!

God bless and encourage your hearts today!

Lovingly,

Paul and Faith Wyma

Ethnos360
