

What can the local church do to inspire their own young people to go? What Biblical attitudes need to be a part of the renewing of our minds? Are we allowing the world to mold our goals? What part does an attitude of sacrifice play in our thinking? These and many other questions come to mind as we pray for laborers. Do we pray for our own to go? **PRAY THAT WE WILL EFFECTIVELY PRESENT ONLY TRUTH.** We need to ask what are we doing to follow the Lord's Command to pray for laborers in the fields that are white waiting for harvest.

The Lord has given us some great opportunities these last months in local churches in Michigan, Pennsylvania and Virginia. Next month we would like to invite church leaders to attend **Wayumi Leaders Conference.** This takes place **October 24-26** at the Wayumi Campus. Please pray for leaders who are willing to be challenged by the Lord's command. Contact us if you would like to join us for this.

Also in October is **Catch the Vision** at the Ethnos360 Jackson campus. This is a great opportunity for high school students to check out what it is like to be a student at the Bible school. Go with us for this on **October 19, 20.**

This has been an exciting year with our girls. Joy and Duane left on May 16th to serve with Ethnos360 in Columbia, SA. On the same day Faith was engaged to Brad Kimble. They are getting married in January. Faith continues serving with GS. Faith was in the Houston area for Hurricane Harvey and Amy and family live in Florida where they experienced Hurricane Wilma. We are so thankful that the Lord kept everyone safe in both places. Our granddaughter, Alexa, was with us part of the summer and painted with Grandpa to earn money for college. Dax graduated from college and is now part of the workforce.
