

### **Update from the Lenz Family**

Michael will be graduating at the end of May and we will be bringing him back to the States this summer. We'll only have the months of June and July in the US with a lot to accomplish to set Michael up. Please be praying for our family with all the upcoming transition. Pray for Michael as he leaves behind the country he grew up in to live in a foreign (to him) land. Pray for him to find godly friends in the US that will spur him along in his walk with the Lord and that he will prioritize finding a good church home. Pray for us, his parents, and his siblings as we leave him behind in the US.
