Heading West... 🐎

Go Broncos! This summer, we will be moving to Kalamazoo, MI to work with His House at **Western Michigan University!**

We have been praying a LOT about what God would have us do next school year after our apprenticeship with His House. This semester we decided that I (Brayden) would continue working with His House, and God has opened a clear door of opportunity. I am currently in the process to join staff as an Associate Campus Minister this fall at WMU alongside our friends Ben, Dael, and Anya.

This next season will be full of changes for us. It will be our first time moving away from Saginaw long-term, and we know we'll be challenged and stretched. We're filled with excitement, joyful expectation, and a little nervousness. But as with any good adventure, we can't simply remove our fear, but we can ask God for courage and then keep taking the next step.

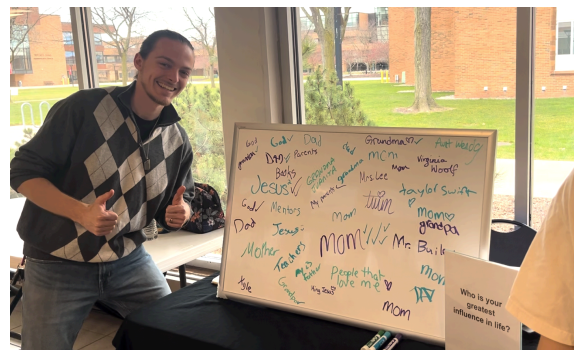

Highlights from Winter Semester

The SVSU crew at our **Winter Retreat**. Our theme this year was resting in God and hearing His voice. Anika, one of our freshmen, was baptized there!

Milah helping to baptize her friend and former coworker, **Karley!**

“Tabling”, a creative way we’ve been meeting students and having deeper conversations. We pose an open-ended question and ask students passing by to write an answer on the board. The question this week: “Who is your greatest influence in life?”

Milah and I co-led our first **mission trip** along with Kaitlin, another His House intern (right). We brought nine students to Mayfield, KY to rebuild houses in the aftermath of a deadly 2021 tornado. We worked with Samaritan's Purse, an incredible, Jesus-centered organization.

Last month was our annual **Bible awareness event** called CRAVE. We read through the *entire Bible* in about 74 hours, with the help of dozens of students taking half-hour reading slots. We also gave away 40 Bibles, including some Chinese and Japanese translations!

Prayer Requests

- Pray for love and courage for us to finish this school year strong—giving our all to love God and love people here.
- Troy (Brayden's dad) had surgery to remove half his thyroid. Pray he would continue to recover well and have no long-term complications. Thank God for his speedy recovery so far!

Praises

- Thank God that He is lighting our path forward. He provided direction in a major way when we were asked to move to Western!
- Gavin, one of Brayden's disciples, chose to be baptized over Winter Break! Five other individuals have also been baptized this semester.

- Pray for our students who are wrestling with baptism. Pray they would overcome fears, lies, or anything that could hold them back from obedience to Christ.
- We thank God for YOU! We can't begin to thank you enough for what you've done to impact the ministry here. Your prayers and financial support have given us the means to pour into our students full-time and see God transform lives with His love!

See you at the Spring Celebration!
