**IT WAS A WONDERFUL
CELEBRATION OF AUSTIN AND
KATELYN'S WEDDING!**

10-22-23

We are thrilled to have another daughter in our family. She is sweet, kind and a perfect match for Austin and fit right into our Christmas gathering.

Thank you for your prayerful concern and interest in our ministry here at Ethnos360 Aviation in McNeal, AZ (training young families for missionary ministry abroad)

- ◆ Larry is overseeing the next R66 helicopter project with 5 guys. Pray for keen eyes and proficiency as they learn every detail of this aircraft to better serve with this tool to be used for God's Glory.
- ◆ Pray for Spirit led interactions and opportunities with the students here this semester and in the coming years ahead.
- ◆ Pray for more laborers as we are seeing a tremendous shortage in our mission's positions and places where we serve.
- ◆ Kim continues to have an outreach through her ministry with the hostess team and in facilitating ladies' breaks throughout the months to build relationships and make significant connections with the women in training here in AZ.
- ◆ Our adult kids: Alicia working as HR in Nashville and Austin studying and flying passing his private and instrument rating in the last couple of months and now motivated to complete his commercial rating all while Katelyn works as a nightshift nurse. The Lord continues to grow and mature all 3 of them. :) Thank you for praying for His guidance as they seek him for decisions in 2024.

❄️ *Happy New Year from the Dye and Lewis family*

We are so grateful for the blessing that you have been to us over the many years and especially during 2023. Thank you for reaching out when you can. We celebrate Paul Dye's miraculous healing this year as a result of your prayers.
