

APRIL-2022

Hi! Just a short Easter Note to let you know that we are alive and mostly well! Paul is doing great and has gone from using an old ladies walker with tennis balls on the feet, to my cane and now, he's walking on his own! He's done well! PTL!

I had a tooth pulled and have had some problems. My neck is swollen so am on antibiotics. Where the tooth was is ok but am feeling problems in the mouth and now my right neck side is swollen and hurts. I had an echocardiogram last week but no results yet. Not having much energy, but I feel that is still the result of being so ill the end of December and on into January.

Paul continues his long Sunday treks into the prison and God has given him strength to be able to preach in 3 different units and all that walking is done with his cane now!

We so appreciate your love and care over us! We feel loved indeed! God bless you real good!! Prayer changes things!!

Well folks... today is the 58th birthday of our firstborn, Lisa Ann!! How can it be? We shall celebrate tonite together! Then, on May 12th, Larry will turn 55 and then...on May 18th, we will celebrate our 59th year of marriage! No wonder we are 81!!

Please continue to pray for Luke's wife and son who continue to suffer with the affects of Lyme's Disease! Thank you!

The work on the fields continue but not without difficulties. The enemy of our souls is out to stop the message of the Gospel getting to the uttermost parts of the World...Pray for our missionaries that continue to face hard times, illness, and relentless problems with the government and ungodly men.

"For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places. -Wherefore, take unto you, the whole armor of God that you may be able to withstand in the evil day. And...having done all to stand!" Ephesians 6:12-13 Paul & Pat Dye
