We are rejoicing and want to share the good news so that you can rejoice with us – this week we were informed that the Polish government is granting us permanent residency!

They are requiring us to appear in Warsaw on February 13<sup>th</sup> to finalize the process. The girls will all take a few days off of school and we will travel to Poland together as a family. Of course, we will also make time to visit the churches in Siedlce and Łuków.

What a good gift from our Heavenly Father! *Let all who seek You rejoice and be glad in You; Let those who love Your salvation say continually, "The Lord be magnified!"* (Psalm 40:16) Our hearts are full of gratitude; He is ever-generous to us. Please continue to pray through the process for coordinating the upcoming flights, for funds to cover it all, and for the appointments in government offices. And thank you for rejoicing with us!
