We are currently wrapping up our time in the USA and are eager to travel back to Poland this summer. I've recorded a [4-minute video update](#).

We are able to church plant in Poland because of a large group of beloved friends and family who work with us, and Barb Seffinga is one of the people who has helped us in countless ways as our financial secretary for over the last decade. For health reasons, she needs to step down from this position. We wanted to take this opportunity to thank her for her vital role in our church planting ministry for many years!

Please take the time to read this note from our new financial secretary:

Hello everyone,

Before I introduce myself, I want to take a moment to thank the years of service Barb Seffinga has done as Ben and Sarah's financial secretary. Barb and Jim have been tackling a health issue for Barb that has required her to step down after these many years of exemplary service. Please be in prayer for them.

My name is Michael Paniak and I am going to do my best to succeed Barb as she cannot be replaced. If you have any questions about your donations for the Layers, you can reach me at bbcmissionsboard@gmail.com. I try to check that account a couple of times a week. I'm honored to serve in this capacity as the Lord sees fit to use me.

Blessings to you all.

In Christ,

Michael
