JAMMY'S STORY

🏠❤️ After an extended period of incarceration, Jammy found care and compassion at City Rescue Mission. He entered our Impact program, and

embraced life skills classes and chapel services. He worked diligently with his case manager on finding full-time employment and housing.

Once Jammy's Impact Designer Deb found out he owns a parakeet named Kiwi, she went to work utilizing his extra room just for Kiwi, even including a chair in the room so Jammy could visit 😊 Jammy was very surprised by this act of kindness. His rental space has been turned into a peaceful oasis for a true fresh start! Jammy is thankful for the mission, and smiled largely and teared up in every room.

From all of us at Rescue Ministries of Mid-Michigan and Impact Designs, Welcome Home ❤️ Praise the Lord! Proverbs 3:5-6
