A Special Upcoming Newsletter

Be on the lookout for a very special newsletter to arrive in your mailbox later this month!

Those in Bay County can look forward to hearing about Z's dramatic new beginning at Good Samaritan Rescue Mission. In just a matter of weeks, she went from having no place to call home, to being a resident at Labadie Lofts

AND a kitchen staff member at the mission!

Saginaw County residents will hear the story of Kristen and Daniel's family. They arrived at City Rescue Mission with virtually no belongings. Since then, their new beginning includes emergency shelter services in our newly renovated family wing, a new vehicle and new job prospects!

This newsletter will be special for another reason... it will be the final issue before everyone begins receiving our **all-new Rescue Ministries newsletter, *Ministry Moments!*** This quarterly publication will feature a fresh design, touching stories of changed lives and important news from *all* our ministries.

We're excited for you to receive the first *Ministry Moments* issue in August!
