A New Mother's Move-In Day Story

❤️❤� China has faced housing instability since her mid-teens. When she was pregnant and lost her housing, she called all over the state of Michigan and even out of state looking for a place to stay. All of the shelters were full. When she contacted us, we had one bed open. She was so relieved!

While staying at City Rescue Mission, China gave birth to her first child. The mission staff came alongside her and got her connected with needed services in our area.

🦄 Her Impact Designer Rosemary discovered that China loves the great outdoors and especially fishing. She has dreams of taking her son fishing and hopes he loves it as much as she does. Rosemary surprised her with some fishing poles and tackle. China also wants to introduce her son to Elmo, so Rosemary helped make Sesame Street come to life in her son's room. China was overwhelmed with how beautiful her home is!

From all of us at Rescue Ministries of Mid-Michigan and Impact Designs, Welcome Home!

A special thank you for Helping Home Happen to our Impact Designer Rosemary and Move-In Day Volunteers from Bay City.
