## **IT IS A NEW YEAR January 2023**

The steadfast love of the Lord never ceases; his mercies never come to an end; they are new every morning; great is your faithfulness. Lamentations 3:22,23

**It is with joy that we cling to this promise. We will fail but He is always faithful. We hold on to this promise as we start a new year.**

**We are thankful that the Lord allows us to be a part of what He is doing around the world. Please pray for those young people who are beginning the process of learning the language and culture of an unreached people group. Pray that the love of Christ will shine through as they build relationships. Thank the Lord for the tools that we have today to speed up the process.**

**Some of you have seen our chart of unreached people groups from all over the world. We encouraged many of you to pick a group and pray regularly. We picked seven, one for each day of the week. For example, for Wednesday we pick a group that started with the letter "W" for Wednesday. That group lives in northern Canada and when we started praying there was no attempt to reach them. That has been over 15 years ago. Within the last 3 years there have been a group of missionaries in Canada working with them. They are in the process of learning language and culture. They are among the first nations people of Canada.**

**Please PRAY with us:**

**For laborers**

**For wisdom as we schedule this year**

**For the hearts of those in local churches to be stirred with the need to reach the neighbor and the world**

**For our children to walk in truth**

**For the unreached people groups around the world.**

**For the unreached,**
