June 2023

The Lord gave us a fantastic opportunity to travel west in the month of May. We started at the Ethnos360 Bible Institute graduation on May 20. It is so excited to hear the testimonies of our 2023 graduates. Please pray with us that the Lord will raise up many laborers out of this group. Pray that they do not become sidetracked by the things of this world but keep a heart to serve.

From Waukesha we traveled on to St Charles Bible Church in Minnesota. Some new friends graciously opened their home to us and Dan was able to share in Sunday School about what the Lord is doing around the world

We saw the wonders of God's creation as we traveled through the bad lands of South Dakota for the first time and visited Mt Rushmore. What an example of His handiwork. This could not just happen by chance.

From there we journeyed to Frontier School of the Bible and spent a couple of days with Jeff and Sheila Waltermire who we first met in Bolivia on a Summit trip in 1999. They showed us the school and some interesting sites in the area

Finally we ended up in Boise, Idaho and were able to spend some time with Brad, Faith and the girls. What a great time with lots of hugs. While there we all visited old Idaho City and went to church together in Boise.

That wrapped up May and now on to June and July. After returning for the west, Dan spoke at a Sunday Morning service in Kathy's home church Grove Bible Church in St. Johns, Mi. That church has stood with us since we first started in the mission over 40 years ago.

The end of June takes us to Midway Church in Colburn, Va for Sunday June 25. That Monday we go to the IFCA Convention, June 26-29, in Cincinnati to represent Ethnos360 to Bible believing churches from across the US and beyond.

On July 2 we worship with Beahms Chapel Church in Luray, Va. Then we head back to Michigan to meet with a perspective missionary family. The week of July 16th we are off to Iowa for a week with teenagers at the East Iowa Bible Camp in Deep River Iowa

Busy, but a time full of opportunities to challenge for missions. That was Jesus last command before the Ascension

For the tribes,
Dan and Kathy
