

POTENTIAL

Do we look at small children and see their potential? What is the value of a child? How much do we pray for our children and grandchildren to give their lives to the Lord? What do we get excited about, winning a prize, a big scholarship, being popular or having a heart to serve the Lord? As believers what are our priorities? We are often convicted of our wrong desires. What would we be willing to sacrifice to reach those who have no opportunity to hear the gospel? PLEASE PRAY FOR A GENERATION WILLING TO SACRIFICE.

We were encouraged last Sunday to be in a church that was willing to make the children feel a part of the church body. It is so exciting to think about the part those children will play in the future.

Please pray as we seek laborers for the harvest. We are interested in those ready to go now and those who will be the laborers in the future.

We are so thankful that the Lord allows us to be a part of what He is doing in this world.

Kathy was able to spend a month with the two youngest grands while Faith went back to teaching after the birth of Gemma Faith. Dan has continued with the remodeling at the house as well as speaking in churches and meeting with pastors. THANK YOU FOR PRAYING AND BEING A PART OF THE TEAM TO REACH THE UNREACHED.
